Worthy Grand Matron

Grand Chapter of New Mexico
9104 Redmont Road NE
Albuquerque, NM 87109

April 8, 2020

Dear New Mexico OES Members,

During these challenging times, communication has never been more important. I want to let you know that all of the elected line have been working hard on strategies to assist with communication. No one is alone during this time. We have been working in ways to help you hear from us and we also want to hear from you.

Please check out the landing page of the OESNM.org website. There you will find a **new “red bar”** under the video. When you click on that red bar, you will be taken to a special page that has messages from us and from your Most Worthy Grand Matron.

In another week or so, on the top right menu bar an entirely new section of the website will become available and that will include **webpages for each chapter** in our state. Your chapter will be able to submit an article (blog) post to Sabrina for publication on your page sharing with your members whatever information you may like to share—inspirational messages, informational messages, ideas for activities at home, service work being done, and just a way to reach out to our members. Please send your article with one photo to Sabrina to post. You can post once a week, once a month, or whatever works for you. Then encourage your members to go there for information about Chapter affairs. Do remember this an open part of the website to anyone, so do not mention sensitive information like about a specific member being sick.

Please check out the **New Mexico OES members only page on Facebook**. There are special messages and activities being posted there. If you are not a member, please join so we can communicate with you there. If you are a member, you are always welcome to post things there and we encourage you to send information to Sabrina and Debi on that. Sabrina’s [email—sabrinapack@gmail.com](mailto:sabrinapack@gmail.com)

Star Love,

Pamela Sutcliffe
