

Dear Sisters and Brothers,

I hope this finds you all well and coping with being absent from our normal activities, then, I remember my son's favorite t-shirt when he as a kid: "Why Be Normal" it said across the front. This enforced isolation, while necessary for our health, is also a time to do things we have been putting off, like reaching out to someone we haven't thought of for a while. Call them and remind them of something fun you did together at some time. Find out what is going on in their lives.

This is also a time to do something fun as our WGM Pam suggested. Everyone needs a good "Flocking" at times.

I bet some of you can think of other fun activities to help keep us connected. When you come up with something, share it with the rest of us. We would like to know what you are doing, so keep us posted. We may be social distancing, but we don't need to be socially distant. Continue to reach out to each other and don't forget to reach out to your brothers in your lodge. They need to know you are thinking of them and their families as well.

I miss you, our being together and know that each of you are in my prayers. Stay safe and until we meet again, "May the God of Love and Peace delight to dwell with you and Bless you".

Star Love,

Don Sultemeier WGP
