

Greetings OES Members!

Easter has passed and spring is definitely with us. I hope everyone is well and healthy and practicing social distancing and wearing a mask in public. As far as I know that is the best we can actively do to help our fellow man/woman. Oh, and if you can, order a meal or two from a restaurant that needs your support and has window or curbside delivery.

On Friday morning we came out of the front door of our home to the picture you see above of ten pink flamingos in our front yard. WE WERE FLOCKED by Sandia Mountain Rainbow Assembly #63. A cute note accompanied the 'flocking' explaining this is a fund raiser for the Assembly and they would like us to pass on the fun to our victim of choice for a small donation - or none at all - and for us to nominate the next recipient. We have sent them on to another of our friends here in Albuquerque. You too can participate in the fun with a virtual flocking of your friends. If you virtually pass these along, as I hope you do, the following text and charge comes with the surprise.

CONGRATULATIONS NOW YOU'VE BEEN FLOCKED!

This is a 'friend' raiser by Grand Chapter of New Mexico OES. A friend of yours nominated me to place these 10 pink darlings in your email. This flocking is done in good spirits and is not meant to be mean. These flamingos will roost in your email until you activate their removal, as they migrate to another friend's (victim's) email.

If you would like to send to a victim(s), you could send a small donation to this or another youth group or charity of your choice, but this is not required. Pass this along to another 2-5 members or friends who would think this is fun and ask them to do the same.

Be careful, be safe, and know you are loved by me and many more. We are all important to so many that it is imperative we stay safe and stay healthy – UNTIL WE MEET AGAIN.

Star Love,
Pam WGM
