

Greetings to All our NM Members and Friends,

Here we are already in October with another surge in Corona Virus numbers. As we all had hoped for better news as we go forward, I am sure this will happen, but less sure of when. In the meantime, we do need to keep going and do our best to 'be in tune' with all our members. We do have a few chapters that are doing regular Zoom business meetings on their meeting nights and two that are doing in person meetings. I must visit with each Worthy Matron if you are hoping to meet in person – whether it is for a regular meeting or just for business, – for consideration of a special dispensation to do so. I want to be able to visit with everyone when we can!

As part of our Membership/Marketing effort we have an all member Zoom meeting scheduled for October 21 st . Please plan to join us if you can. We need everyone to give us their ideas to interest potential new members.

Brother Don and I are excited to be getting ready for the basket drawing that will be done on October 31 st at 1:00 p.m. Don and I will ZOOM the results. If you are interested in being 'with us' Larry Holmes will be hosting the Zoom meeting for anyone who wants to see the results! We have had great participation from the membership in taking a chance on a basket and supporting our funding of scholarships for next year. Thank you all! You still have 20 days to get your entry to me before the drawing. If you need/want a reminder or haven't gotten anything in the mail from your chapter with the information about the baskets you can find pictures, descriptions, and an entry form on the OESNM website. It has been interesting to see the different levels of interest (# of tickets) in the baskets move from one to another. They ALL have MANY entries!

Dan and I will be out of the NM jurisdiction from Thursday 10/15 until Sunday 10/18 visiting our son and family in AZ. You are welcome to call me or contact our AGM Beth if you have any concerns during that time.

Star Love,
Pam
